Dit salaris wordt de bovengrens in de (semi-)publieke sector. Wachtgeldregelingen voor bestuurders mogen niet ruimer zijn dan die van andere burgers.

SP belooft: de AOW wordt niet aangetast

6 dagen geleden - categorie: Verkiezingen 2006 - met de trefwoorden: SP AOW

De socialisten van Jan Marijnissen zien niets in het plan van collega Wouter Bos van de PvdA om oudjes die hun hele leven hard gewerkt hebben en een mooi pensioen hebben opgebouwd, mee te laten betalen aan de AOW van anderen. De overheid had dit probleem zelf al veel eerder moeten en kunnen oplossen.

Mark Rutte belooft: Alle plannen van nieuw kabinet worden getoetst en helder

Ask the Guys

Ask the Guys

Welcome. There are lots of “Dear Abby” columns to get opinions from women. And lots of “Maxim” columns to get opinions from douchy men. Not many places to get a practical guy's perspective on life events. So ask the guys.

I have an embarrassing question dealing with the issue of web cams.

My now ex-girlfriend conned me into doing a webcam session. Each of us were on web cam but something happened to her web cam after the shirts came off. I continued on for her sake.

I recently discovered she had broadcasted our activities, shall I say MY activities, for all the girls in her sorority to see.

She broke up with me the following day and I now I feel betrayed and embarrassed that 20+ people saw me jerking off.

What should I do now and is this a risk I should be aware of for future relationships? How can I ensure my privacy?
